Employee Concerns (Whistleblowing) Policy: the company encourages all its stakeholders to report any concerns related to the direct activities or the supply chains of the company. This can include any circumstances that may give rise to an enhanced risk of slavery or human trafficking. The company's policy is designed to make it easy for workers to make disclosures, without fear of retaliation. Employees, customers or others who have concerns can report any activities associated to slavery and human trafficking by contacting their immediate line manager or the Commercial Director in confidence.

Employee Code of Conduct: the company's code makes clear to employees the actions and behaviour expected of them when representing the company. The company strives to maintain the highest standards of employee conduct and ethical behaviour when operating abroad and managing its supply chain.

Supplier/Procurement Code of Conduct: the company is committed to ensuring that its suppliers adhere to the highest standards of ethics. Suppliers are required to demonstrate that they provide safe working conditions where necessary, treat workers with dignity and respect, and act ethically and within the law in their use of labour. As part of the supply chain selection process all potential and existing suppliers are required to complete a Supplier Questionnaire to assess their suitability as a supplier. Within the Supplier Questionnaire all suppliers are required to provide evidence of their compliance towards Labour Standards and the principles of this standard as well as the Asylum & Immigration Act 2006.

This enables the procurement team to identify any potential risks to the quality of the service provision or goods being provided by the supplier and prevents any slavery or human trafficking. All suppliers are audited against the supplier code of conduct.

Recruitment Policy: the company only employs people on a permanent contractual basis. Prior to commencement of employment all employees are subject to right to work, residency, SIA and employment checks in accordance with the Immigration Asylum and Nationality Act 2006, Security Industry Authority and BS7858 Code of Conduct. The Recruitment Policy is compliant with all EU and UK legislation, including the minimum wage.

Corporate Governance & Social Responsibility Policy: this policy sets out the responsibilities of the Board of Directors and the company's commitment towards the external Environment, Health & Safety, Workplace responsibilities and assurances to the supplier chain code of conduct. The Policy is communicated to the whole workforce and forms part of the induction programme.

Anti-Bribery/Fraud Policy: the company's Anti-Bribery Policy aims to prevent any form of bribery being committed within the company and by any stakeholder(s) associated with its business. Profile Security Services' Board of Directors fosters a culture of integrity where bribery is unacceptable. This policy is communicated to all employees and forms part of the induction programme.
